**June 18<sup>th</sup> - Most Holy Body & Blood of Christ**

“Because there is one bread, we who are many are one body, for we all partake of the one bread.” 1 CORINTHIANS 10:17  
As disciples of Jesus, we are called to lead holy lives and invite others to join us. Living a stewardship lifestyle, being grateful and generous with our gifts, serves a twofold purpose. One, it helps build God’s kingdom here on earth. Two, it is a road map to Heaven. Let’s help each other get there!

**Medically Assisted Suicide**

**Why the Catholic Church Thinks the Way it Does:** With the passage of Bill C-14, medically assisted suicide is now legal – what is at stake with this decision? The Catholic Church affirms the dignity of the human person, so opposes this legislation. Why does the Catholic Church take this position? How can the Church’s position be explained in a simple and straightforward way? What is the difference between medically assisted suicide and euthanasia? What response does the Church provide for those contemplating – either for themselves or for a loved one – medically assisted death? What common ground do Catholics share with others who do not necessarily hold the Catholic perspective? **Join Fr. David Perrin Ph.D. for a Workshop and Meditative Retreat** to discover the answers to all these questions. To be held at the Galilee Centre, Arnprior, ON from **July 7 (7pm) – July 9 (12 noon), 2017**. **Parenting Tip of the month**

Children thrive on routine and schedules, as do most adults. As summer approaches and the days grow longer, it can be difficult to keep established timetables in check. Helping your children flourish in mind, body and spirit this summer is possible, but as parents you must take control. Keep track of the nutritional value of the food your children consume each day; work hard to be sure they get the proper amount of sleep since it will provide benefits both now and into the future; remember to celebrate God’s beauty in nature, to say prayers at meals & before bed and to attend Mass as a family. Children’s growth doesn’t take a break during the summer months, so be vigilant and they will blossom.
