"Everyone who acknowledges me before others I will acknowledge before my heavenly Father." MATTHEW 10:32

Do you share your Catholic faith with others?
Do you defend your Catholic faith or do you remain silent when the situation arises?
Do you pray in public before meals?
Pray for the strength and courage to be a joyful witness of our Catholic faith when the opportunity presents itself.

Medically Assisted Suicide

Why the Catholic Church Thinks the Way it Does: With the passage of Bill C-14, medically assisted suicide is now legal – what is at stake with this decision? The Catholic Church affirms the dignity of the human person, so opposes this legislation. Why does the Catholic Church take this position? How can the Church's position be explained in a simple and straightforward way? What is the difference between medically assisted suicide and euthanasia? What response does the Church provide for those contemplating – either for themselves or for a loved one – medically assisted death? What common ground do Catholics share with others who do not necessarily hold the Catholic perspective? **Join Fr. David Perrin Ph.D. for a Workshop and Meditative Retreat** to discover the answers to all these questions. To be held at the Galilee Centre, Arnprior, ON from **July 7 (7pm) – July 9 (12 noon), 2017**. For further info: www.galileecentre.com (under Workshops & Events)

Marriage Tip of the month

We live in a time of digital distractions: have you set boundaries around how you will prevent smartphones & other devices from impacting your life? Their interference has become so prevalent that researchers now describe it, “technoferece,” & it is real. How can you take control & decrease the negative impact: limit the amount of time you spend on & checking devices; make rules about digital use during time together; agree on when devices will be prohibited (*at meals, on a date, in bed*) & stick to it. Disconnect from your devices, not your relationship, & you'll both be happier!
