May 28, 2017 – 7th Sunday of Easter

"I am praying for them..." JOHN 17: 9
Prayer is the foundation of our Faith and the foundation of Stewardship. Pray in good times and in bad. Prayer is always the first best option in any situation, not just the last resort. Pray for friends and family and for those that don't treat you very well. Pray to give praise, to thank and to ask God for help. Pray to see what God wants you to do with the gifts He has given you.

PARENTING TIP OF THE MONTH

Spring brings new joy and new opportunity as the weather warms and we spend more time outdoors. It is a great chance to draw our children's attention to the greening grass, flowers sprouting from the ground and leaves opening on the trees. Nature has a cycle and so too does life - remind your children of the creative power of God in making all this happen year after year. Help them to see our role in nature and how our Catholic faith calls us to respect, care for, love and nurture all of God's created gifts in this world, both human and those in nature.
