“Be doers of the word and not hearers only...” JAMES 1:22

It’s easy to understand the definition of stewardship. The hard part is living it! What do you do to live God’s word? Do you share your time in prayer with God? Do you use your talent to help those in need? Are you generous with your financial resources? If not, what are you waiting for?

Adult Faith

The fall programs will start on **Monday Sept 17th**, in the Community Room, at 10 am. This is a Catholic follow on for Alpha, and it discusses the Sacraments, Mary and the saints, and Christian morality. The presenter is Fr James Mallon, author of the book "*Divine Renovation*". All are welcome, no registration required.

The Catholic Grandparents Association

Many grandparents don't realize the tremendous influence they have as senior members of their families and the important role they can play in helping to pass on the Faith to succeeding generations. Regenerated 2018

Are you aware that the gifts you receive at Confirmation from the Holy Spirit are to prepare you for battle? You may ask what kind of battle are we talking about? It's called 'spiritual warfare'...it's real and it's growing! On **Saturday, November 17th** join Branches Catholic Ministries at the Scotiabank Convention Centre in Niagara Falls, Ontario as it hosts Regenerated 2018. Keynote speakers such as Johnnette Benkovic, Thomas Sullivan, Dr. Edward Sri and others will address the misconceptions about this Sacrament and its importance to the stability of the family and ultimately society at large. **Regenerated Youth** will run concurrently for ages 12 to 18. If you are interested in purchasing "**early-bird**" tickets or for more information about these Conferences visit branchesoftheword.org or call Branches at 905-685-7000.

Plant a Pollinator Garden - September 29th, 9am to 12pm

Here at Ignatius Jesuit Centre we love our bees, butterflies, flies, & beetles that do the very important work of pollinating. Eighty percent of flowering plants require pollinators; pollinator species are in decline worldwide, & one of the factors contributing to this decline is habitat loss. The land crew is excited to announce we will be planting a 1500 square foot demonstration pollinator garden next to Loyola House. The demonstration Pollinator garden will showcase plants that are beneficial to the native pollinators as well as honey bees. The garden will provide sources of food, shelter, nesting & overwintering sites for the many pollinators found on Ignatius land. We invite you to come & plant. **Free - Registration required.** Jaye Crawford 519-993-6366 groundsassistant@ignatiusguelph.ca
