September 16th, 2018 – 24th Sunday in Ordinary Time

“Whoever wishes to come after me must deny himself, take up his cross, and follow me.” MARK 8:34

When we truly believe that all we have is a gift from God, then we must be willing to give up some things so that we can share our blessings as God intended. Living a stewardship lifestyle means not only being responsible for our own life, but the lives of others as well.

Plant a Pollinator Garden - September 29th, 9am to 12pm

Here at Ignatius Jesuit Centre we love our bees, butterflies, flies, & beetles that do the very important work of pollinating. Eighty percent of flowering plants require pollinators; pollinator species are in decline worldwide, & one of the factors contributing to this decline is habitat loss. The land crew is excited to announce we will be planting a 1500 square foot demonstration pollinator garden next to Loyola House. The demonstration Pollinator garden will showcase plants that are beneficial to the native pollinators as well as honey bees. The garden will provide sources of food, shelter, nesting & overwintering sites for the many pollinators found on Ignatius land. We invite you to come & plant. **Free but registration required.** Jaye Crawford 519-993-6366 or groundsassistant@ignatiushguelph.ca
