### For the Common Good *“On the Pandemic Sacrifices”*

“The decision to close our churches and suspend public celebrations of the Mass has been a painful one for our clergy, religious, and all the lay faithful in the Diocese. While the sadness of our inability to gather to celebrate the Eucharist is profound, some of the response to this closure in addition to falling short of the demands of the charity betray a fundamental lack of understanding not only of why this great sacrifice is being made, but also whose example we follow in so doing.

We continue to pray for one another, for those who are suffering in any way during this pandemic and for those who have died. Let us pray with confidence in God’s mercy, that the promise of an effective vaccine will be realized and we will soon be able to return to gather again in our churches to give God thanks, to worship with the sacred assembly, and to be nourished with the Body and Blood of the Lord.”
