Resilience in a Time of Pandemic: A Meditation for Young Professionals

This event is especially relevant for Jesuits, colleagues and those in our wider network who work with youth. Please share it with those you think may find value in it.

The past year has brought with it the need to cope with the loss and uncertainty caused by the COVID-19 pandemic. In the midst of these challenging times, how can we be more resilient? What role does spirituality play? What about our relationship with God? In this talk, Fr John O'Brien, SJ, will draw on the Ignatian (Jesuit) tradition, providing tools and tips for staying spiritually vital today.

Date: April 8 - 7pm EST (1 hr - with 30-min. Q&A)

Blessed Carlo Acutis

An Italian teenager who died of leukemia at the age of 15 was declared "Blessed" by Pope Francis in the Fall of 2020. He was born on May 3, 1991, and died on October 12, 2006. He was known for his joy and simplicity, his computer savvy, and his love of the Eucharist and the Blessed Mother. A recently published book about his road to sanctity is being sent to Priests serving in the Diocese, for their information and edification. Pope Saint John Paul II often said that the young would be Saints – and so they are! To learn more: www.carloacutis-en.org.

Conscience Rights in Ontario

A Crucial Moment for Healthcare Professionals

Over the last several years, doctors and healthcare professionals have been fighting to have their individual conscience rights recognized by both the Federal and Provincial governments. An Angus Reid poll last year found that 80% of Ontarians favour conscience rights legislation to protect healthcare providers from having to violate their conscience when caring for a patient.

We are at a crucial moment in history when it comes to conscience rights and MAID (Medical Assistance in Dying) There is much to learn and we must act.

Please visit www.canadiansforconscience.ca/ontario where you can send an email directly to the Ontario government and learn more about this critically important issue. The program will automatically send your response to the correct government officials.

Click on the following link to see a powerful video with testimonies from healthcare providers describing how they feel about the possibility of having to take part in MAID when it goes directly against their moral principles. [Make a Call for Conscience - YouTube](#)
