The official position of the Catholic Church is that all available COVID vaccines are ethical and all Catholics who are able are encouraged to receive the vaccine. All employees serving in the Diocese of Hamilton are encouraged to be fully vaccinated or to submit to a COVID rapid test every Monday and Thursday in order to carry out their responsibilities. **Synod of Bishops 2023**

Pope Francis has formally opened the Synod of Bishops this past Sunday with a solemn Mass in St. Peter's Basilica, which will take place in three stages over the next two years. In his homily, Pope

Francis said that **“Celebrating a Synod means: walking on the same road, together.”** He also added that **“following the example of Jesus, he emphasized three verbs that characterize the Synod: encounter, listen, and discern.”**

In the Diocese of Hamilton, Bishop Crosby, OMI, will open the **Diocesan phase of the Synod today with a Mass at 4:00 p.m. at the Cathedral Basilica of Christ the King**. **ReStart: A Separation and Divorce Recovery Program**

**Marriage Tip of the Month 113**

As we continue to deal with the COVID virus in our communities, people are feeling the continued burden of the unknown about its dangers and how long it will last. This causes stress which might cause couples to lash out at the one they love most. Take some time to change the pattern of your life by planning some fun activities for the two of you, communicate truthfully about how you are feeling, acknowledge that your spouse may not be at their best because they are stressed, hold hands and hug often as touch can relieve stress and pray together that God will give you strength. Feeling united will reduce stress levels for both of you and create a more peaceful environment to help you deal with the unknowns.
