✧ **DIOCESE OF HAMILTON** ✧

Synod 2021-2023

Pope Francis is asking each and every one of us to become involved in the synodal process leading up to the Synod of Bishops to be held in Rome in 2023. The Pope tells us that the

point of a synodal Church "is to listen, as the entire People of God, to what the Holy Spirit is saying to the Church."

Please take the survey online at

Parenting Tip 136 of the Month

Our children are, in many ways, like sponges absorbing all we say and do. Even when we think they aren't watching or listening, they are often taking in our comments, actions and attitudes. In fact, our influence lasts their entire lives and impacts them throughout their lifetime. Equally important is what we don't say about something they are seeing or hearing or doing, since silence is considered consent. Parenting takes constant work, which is why it is considered a vitally important vocation. The rewards, however, of seeing your children grow into healthy, strong adults is worth the effort.
