Marriage Tip of the Month

When we say "I do" during our marriage vows we are really saying "I will." I will love this person even in moments when they may feel unlovable. I will not look for a 50/50 split in what we do, but will be a partner who will give more, and sometimes have to take more, depending on the circumstances of our lives. I will look to find a solution instead of winning. I will spend time with you so we stay connected and in love. I will remember the commitment I made to be faithful and seek to make you a better person and accept your attempts to do the same for me. Marriage taken as an action word, continues to grow and thrive despite the challenges life may throw at you and it produces a love that strengthens as the years pass.

A Service of Evening Prayer

Brian Wilker and the people of All Saints Lutheran Anglican Church. This event is the first in-person gathering since the pandemic, refreshments will follow in the church hall.
