To Inform, Encourage and Heal

June is Indigenous History Month in Canada. We invite you to take time this season to learn more about the Catholic Church's commitment to ongoing reconciliation efforts with Indigenous communities through a four-week learning opportunity through the Virtual Learning Community for Adult Faith Formation. To learn more about this study, please visit us at www.hamiltondioceselearns.com.

Parenting Tip of the Month

Summer should be a time of relaxation, slowed schedules, and time spent together as a family. All three of these are essential elements for good mental health for all family members, including children. So together spend time outdoors, play games, cook or bake and pray because these are moments that will strengthen your family bond. Taking a holiday from social media and devices while doing so can help prevent the negative mental health issues in children they are known to produce. Renew your commitment to in-person, device-free time together this summer and watch your children thrive.

World Youth Day in the Diocese of Hamilton

Did you know that 39 delegates from the Diocese will be traveling to the international celebration of **World Youth Day** in Portugal this summer? Led by the Holy Father, Pope Francis, these pilgrims will have the opportunity to pray alongside thousands of young people from around the world in celebration and thanksgiving for the gift of the Holy Church.

Please pray for our young people on their journey and keep up to date on our pilgrimage by following us on **Instagram @officeofyouthministry** or **Facebook at Diocese of Hamilton Office of Youth Ministry**.
