Catholic High Schools

Throughout the Diocese schools are preparing High School Graduations for students in Grade 12! It is a significant moment in their lives and an exciting time at the schools. Students are being chosen to give Valedictory Addresses, principals are preparing their final speeches to the students and recipients are being selected for various honors and awards. We pray for young people who are at this major turning point. May the Lord be close to you, reassuring you of the love of God for you at this graced time in your lives! Rich blessings to all!

Marriage Tip of the Month-Tip #130

"United We Stand" is the title of a 1970's song by the Brotherhood of Man. The lyrics contain words that every married couple would do well to look at and memorize. The song is a reminder that couples should always support each other, have each other's backs, and stand by each other in times of trial. We often forget to keep this context at the heart of our marriages and can antagonize each other instead of support; move apart rather than together. Remember the words of the song and repeat them often: **"For united we stand, divided we fall, and if our backs should ever be against the wall, we'll be together, together you and I."** From the Family Ministry office, 905-7988 ext. 2250
