**Parenting Tip of the Month**

Easter is a special season for the Church, where we remember Jesus' suffering, but rejoice in his resurrection and the hope it brings to each one of us. When we read simple versions of the Easter story, we offer children a beautiful understanding of what Easter is all about. They will see the Paschal candle at the Church, which is lit at the Easter Vigil Mass, so explain that it represents the light and hope Christ brought to the world. Remind them that Easter eggs (even when chocolate!) are meant to represent new life, just as the resurrection brings new life to all. All of this will help them to understand the liturgical celebrations you attend together and to know how much God loves them.

**Youth Ministry Certification Program**

We are currently accepting enrollment for the Youth Ministry Certification Program, which begins in September 2026. **Theology on Tap: An Evening with Dr. Michael W. Higgins**  
**Why Is Everyone Yelling at Each Other?**

Listening as an Antidote to Polarization. In a world increasingly shaped by division and noise, how do we recover the art of meaningful dialogue? Join us for *Theology on Tap* as renowned theologian, author, and Vatican affairs commentator Michael W. Higgins reflects on the power of listening as both a spiritual discipline and a cultural necessity. Drawing on Pope Francis' vision of synodality and his own extensive work at the intersection of faith and culture, Dr. Higgins invites us to move beyond polarization and rediscover listening as a hopeful—if demanding—path forward. This timely evening of reflection and conversation is ideal for anyone concerned about the quality of dialogue in our Church and in the wider world. **Tuesday, April 28<sup>th</sup> 7:00–9:00 p.m.** The Albion, 49 Norfolk St, Guelph. **Questions?
