Marriage Tip of the Month

All people have busy times in their lives when they seem to need more hours in a day than the actual twenty-four hours allows! It is essential then that we stop long enough to ask ourselves what really matters to us and then to ensure we adjust our schedules accordingly. A spouse should not be on the short end of receiving your time and attention. Set up a date night regularly, be sure to eat at least one meal (even if it is early morning breakfast) together most days, take time to pray together and attend church together. Life is hectic but sacrificing time with the one you love will not help you get more done, it will only help to distance you from the one you need most.

Fourth Sunday of Easter

The Good Shepherd calls his own sheep by name and leads them. Is He asking you to help others to find Him? Pray for an increase in vocations to the priesthood, diaconate, and religious life, especially for our archdiocese, that God will raise up good shepherds in our midst. If God is calling you, contact Fr. Mark Morley, Director of Vocations, Diocese of Hamilton at **905-528-7988**. Email vocations@hamiltondiocese.com
