The Bench

Your help is needed to collect grocery bags, plastic or cloth for the Bench, located in downtown Guelph. The Bench serves the needs of the most vulnerable citizens. It's a place downtown, where those in need can drop by and take what they need, be it food, drink or a personal item, such as hygiene etc. but they often have no way of taking it with them without a bag. Let's help make their lives a little simpler by helping in a HUGE way. Drop off boxes are located at both entrances to the church and can be dropped off at any time. THANK YOU.

Parenting Tip #179

Family creates the foundation on which children will build the rest of their lives. Parents are both leaders and models, so children will learn fundamental skills, including relationship skills, from their families. Parents must reflect on whether the lessons they are modelling for their children are ones that will serve them well in their adult lives. Important to parent's role is building within their children a foundation of faith by engaging in prayer, attending Mass, reading the Bible as a family and taking part in acts of service. This development of faith will help guide children's actions as they become more independent. It will also ensure they understand that God is always with them.

Sanctuary Lamps

The Sanctuary Lamps beside the Tabernacle will burn for seven days **In Memory of Armand & Urbain Bechard from May 16 –May 23rd 2026.**

Ignatius Jesuit Centre
A Place of Peace

The Community Care Box is a weekly harvest grown at Ignatius Farm as part of its training and giving farm. Produce is grown by staff, volunteers, interns, and trainees as part of hands-on learning in regenerative and agroecological farming. This work helps form new farmers and connect community members while stewarding the land responsibly. By purchasing a weekly selection of seasonal vegetables over a 20-week growing season and making an additional donation, you can also make it possible for Ignatius Farm to share an equal or greater amount of produce with local service agencies and community partners including Hope House, Chalmers Community Services Centre, and Marianne's Place, the shelter for Guelph-Wellington Women in Crisis. The contents of the box will vary throughout the season, connecting participants directly to the land and the farm's work. Through this shared model, the Community Care Box connects supporters directly to Ignatius Farm's work helping to sustain farmer training, ecological stewardship, and the sharing of food with those who need it most! Learn more and register week by week at <https://ignatiusguelph.ca/community-care-box>
